

## Benefits of Honey and Royal Jelly for Skin Health

**Not only good for health, honey and royal jelly are also effective in caring for the skin. These two active ingredients of beekeeping help to keep the skin youthful.**

Honey and royal jelly are popular active ingredients in beekeeping. Honey is known for its antioxidant content which helps fight free radicals to reduce the risk of damage to body cells. As nutritious as honey, royal jelly is also popular, one reason is because it is beneficial for the female reproductive system. Quoted from the Medical News Today page, royal jelly helps relieve various symptoms before menopause. Apart from these various benefits, honey and royal jelly also help maintain healthy skin.

### Benefits of Honey for Skin Care

Honey is a natural humectant that increases water levels, so it can keep skin moisturized, as reported on the Women's Health page. Enriched with antibacterial and anti-inflammatory properties, honey helps reduce excess oil production on the face and eradicate acne-causing bacteria. In general, honey is suitable for various skin types. Some of the other benefits of honey:

- Treat wounds on the skin by preventing infection and help healing process. Honey promotes skin regeneration, so wounds heal faster and reduce scarring.
- The antioxidant content in honey helps prevent the appearance of aging signs on the skin, nourishes and protects the skin from adverse effects of the environment.
- Makes skin suppler, thereby reducing fine lines and wrinkles.

### Universal Loose Powder

This powder from BSKIN is also equipped with titanium dioxide. This natural mineral is a composition that is often found in sunscreens and is useful for protecting the skin from UV rays. Titanium dioxide is hypoallergenic (rarely or does not cause allergies), so it can be used by pregnant and lactating women. Made from natural bee ingredients, BSKIN's powder does not contain harmful chemicals such as parabens, sulfates, and artificial fragrances, so it is safe to use even for sensitive skin.

For a flawless facial appearance, apply BSKIN SS Cream SPF 50 + / PA +++ before using the BSKIN powder. However, you can also use BSKIN Flawless Finish Perfecting Loose Powder on your face without makeup. Apply loose powder evenly, especially on the T-zone area (forehead, nose, chin) to prevent excess oil sheen. Lightly textured with soft granules and natural colours, BSKIN's powder covers all parts of the face perfectly without making make-up look thick and heavy. BSKIN Flawless Finish Perfecting Loose Powder is suitable for various skin types.

### Benefits of Royal Jelly for Skin Care

Royal jelly is an active ingredient that contains sugar, fat, amino acids, vitamins B5 and B6, vitamin C, and minerals. Not much different from honey, royal jelly has antibacterial and anti-inflammatory properties that help heal wounds and promote skin regeneration. Royal jelly also contains antioxidants to keep skin healthy and youthful by stimulating collagen production, making skin more elastic.

After learning these various benefits, you are certainly interested in including honey and royal jelly in your beauty routine, isn't it? One of them, found in BSKIN Flawless Finish Perfecting Loose Powder which contains honey and royal jelly, may be your best choice.

### HOW BSKIN HELPS?

For maximum skin care, use the BSKIN Vita Advanced or BSKIN White Glow range. Make sure the face is always clean and healthy before applying makeup, as healthy skin is the basis for a flawless facial appearance.

## 蜂蜜和蜂皇乳对皮肤保健的好处

蜂蜜和蜂皇乳不仅对健康有益，对皮肤的护理也有效。养蜂业的这两种有效成分有助保持皮肤年轻。

蜂蜜和蜂皇乳是养蜂行业中流行的活性成分。蜂蜜以其抗氧化剂含量闻名，可帮助对抗自由基以减少对人体细胞造成伤害的风险。蜂皇乳像蜂蜜一样营养丰富，也很受欢迎，原因之一是因为它对女性生殖系统有益。引用自《当今医学新闻》页面，蜂皇乳有助于缓解更年期前的各种症状。除了这些好处外，蜂蜜和蜂皇乳还有助于保持皮肤健康。

### 蜂蜜对于皮肤的好处

蜂蜜是天然保湿剂，可以保持皮肤湿润，如《妇女健康》页面上所述。蜂蜜富含抗菌和消炎特性，有助减少面部多余油脂的分泌，并消除引起暗疮的细菌。蜂蜜基本上适合各种性质的皮肤。蜂蜜的其他好：

- 通过预防感染和帮助愈合过程来治疗皮肤上的伤口。蜂蜜可以促进皮肤再生，因此伤口可以更快愈合并减少疤痕。
- 蜂蜜中的抗氧化剂含量有助防止皮肤出现衰老迹象，滋养并保护皮肤免受环境的不利影响。
- 使皮肤柔软，从而减少细纹和皱纹。

### 万能蜜粉

来自BSKIN的这种蜜粉含有二氧化钛。这种天然矿物质是防晒霜通用成分，可用于保护皮肤免受紫外线的伤害。二氧化钛具有低变应原性(很少或不会引起过敏)，因此孕妇和哺乳期妇女均可使用。BSKIN的蜜粉由天然蜂成分制成，不含对羟基苯甲酸酯，硫酸盐 and 人造香料等有害化学物质，因此敏感皮肤也可以安全使用。

为了让肤色完美无瑕，在使用BSKIN蜜粉之前，先涂上BSKIN SS 霜 SPF 50+/PA+++。但是，您也可以在不化妆的情况下在脸上使用BSKIN蜜粉。均匀涂抹蜜粉，尤其是在T形区域(前额，鼻子，下巴)上，以防止多余的油光。BSKIN蜜粉质地轻柔，带有柔软颗粒和自然色，可完美覆盖脸部所有部位，而不会使妆容显得厚重。BSKIN完美无瑕焕颜蜜粉适合各种皮肤。

### 蜂皇乳对于皮肤的好处

蜂皇乳是一种活性成分，包含糖，脂肪，氨基酸，维生素B5和B6，维生素C和矿物质。如同蜂蜜，蜂皇乳具有抗菌和抗炎特性，可以帮助伤口愈合和促进皮肤再生。蜂皇乳还含有抗氧化剂，可通过刺激胶原蛋白的产生来保持皮肤健康年轻，从而使皮肤更有弹性。

在了解了这些好处之后，您当然会对在日常美容品中加入蜂蜜和蜂皇乳感兴趣，不是吗？BSKIN完美无瑕焕颜蜜粉含有蜂蜜和蜂皇乳，极可能是您的最佳选择。

### BSKIN如何帮助您？

为了得到更好的皮肤护理，请使用BSKIN Vita Advanced 紧肤系列或BSKIN White Glow 美白系列。化妆之前，请确保面部干净健康，因为健康的皮肤是完美无瑕的面部外观的基本条件。

# TESTIMONY | 见证

I have oily and sensitive skin with cystic acne that could not be treated even though I had tried different treatments by various skin doctors. Last year I was recommended to consume HDI products for detoxification purpose followed by the use of BSKIN products. After using BSKIN V Line products and Anti-Acne 3C Spot Treatment regularly, my cystic acne healed completely. My skin looks healthy and radiant now. I am also using Eye Care Multi-Tasking Power Serum to reduce my dark eye circles.

我的皮肤属于油性敏感型，同时长有囊性暗疮，即使尝试了多位皮肤医生的不同治疗方法，也无法得到改善。去年我被建议服食HDI产品以进行排毒，然后再使用BSKIN产品。使用BSKIN V Line 紧肤系列产品和3C抗痘护理霜后，脸上的囊性暗疮完全被治愈了，我的皮肤现在不但健康且有光泽。我也同时使用BSKIN多效亮眼精华以帮助消除黑眼圈。

# TESTIMONY | 见证

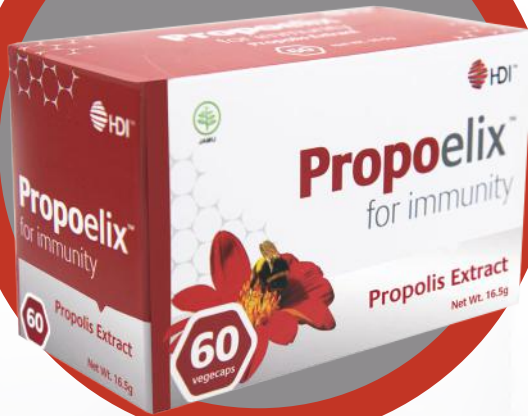

I started using BSKIN products in July 2020. Before that I had severe breakouts on my skin due to misuse of a facial cream of another brand. I was then recommended to use HDI Clover Honey as mask, consume Liquid Royale Jelly and use BSKIN V Line products and Anti Acne 3C Spot Treatment. A month later, my skin inflammation began to subside and I continued using BSKIN V Line and ELVi device regularly. Besides, I also used SS Cream and Flawless Finish Perfecting Loose Powder. Now my skin is firmer, healthier and more radiant.

我从2020年7月开始使用BSKIN产品。在此之前，由于错用其他品牌的面霜，我的皮肤出现了严重的暗疮问题。然后我被建议使用HDI苜蓿蜂蜜作为面膜，服食液状蜂皇乳，并使用BSKIN V Line紧肤系列产品和3C抗痘护理霜。一个月后，皮肤发炎开始消退。我继续使用BSKIN V Line紧肤系列和ELVi美肌仪器。另外我还使用SS霜和完美无瑕焕颜蜜粉。现在我的皮肤变得更紧致，健康和有光泽。

**Congratulations!**

BSKIN Flawless Finish Perfecting Loose Powder & Anti Acne 3C Spot Treatment won the ELLE SINGAPORE BEAUTY AWARDS 2021!

ELLE Beauty Awards

THE  
SMART  
ACNE-  
BUSTER

**BSKIN Anti Acne 3C Spot Treatment, \$28**

Heading to spot the right way (delicately) doesn't always mean simply slapping it on. In BSKIN's books, you actually need to clean, calm, and care for the area. This salmon-tinted cream is chock-full of skincare actives to rapidly treat pesky pimples – licorice and licorinate melt stubborn clots of impurities to pores, collagen and panthenol soothe irritated skin, while the proprietary 3-Complex Water (made with honey, royal jelly, propolis, ginseng and pure deep spring water) provides intensive care to the area to prevent scarring and discoloration.

ELLE Beauty Awards

THE  
COMPLEXION  
GAME-  
CHANGER

**BSKIN Flawless Finish Perfecting Loose Powder, \$49**

The grounds for yet another basic loose powder option don't stand strong, unless it's one that gives the extra mile – like BSKIN's skin-perfecting loose powder. It's the local brand's first makeup offering, and it's formulated on the basis of thinking not only a makeup staple, but also a skincare staple that refreshes your complexion while you go about your day. Infused with honey and royal jelly, this lightly-thin powder locks moisture into the skin and boosts collagen production, so it never looks cakey or unnatural. Clearly, that's one loose skin or makeup for a soft-focus effect and a complexion that glows from within.
